### **Building to Feed the Community**

(Hamilton, Bermuda – 6<sup>th</sup> August 2013) Many have noticed a growing supply of canned goods and non-parishable food supplies in the office front window of Bermuda’s largest local real estate company. No, they haven’t decided to go into a new line of business! The staff at **Coldwell Banker Bermuda Realty** have decided it would be fun to build a house for public display out of these items in support and benefit of the **Pembroke Parish Community Feeding Programmes** (charity#306).

“We worked closely with this charity over the winter months as they were the chosen recipients for our “2013 Winter Blues” campaign, said General Manager Kendra Mello. “With children out of school and demand for food pantry items growing we thought this would be a great summer activity geared towards replenishing the pantry shelves.” Construction is already underway!

The Pembroke Parish Community Feeding Programme is a multi-faceted programme administered by the Anglican Parish of Pembroke in collaboration with The Family Centre, The Eliza Doolittle Society, and Bermuda Cares. They offer community meals at St. Monica’s Church on Monday evenings (6:00-7:00pm) and St. Augustine’s Church on Wednesdays (5:30-6:30pm). The food pantry which is located at 127 St. John’s Road, is open on Thursday mornings (9:30-11:30am) and offers food vouchers and grocery supplies for those in need.

For the month of August Coldwell Banker Bermuda Realty will collect food items from staff and the public to aid in their building efforts. Corporate donations are also welcome, and a “site sign” has been erected in the window on Par-la-Ville Road to proudly display corporate logos of any other companies that want to join in the efforts.
